Children's Trust Fund Application for Discretionary Funding General Information

Each year the Children's Trust Fund (CTF) allocates a certain portion of its program budget to fund discretionary projects. A maximum of \$5,000.00 per grant award is available. Discretionary funding is designed to be responsive to low cost prevention projects or needs that individual communities or community groups identify during the course of the year. Such projects might include funding start-up costs for voluntary prevention programs such as home visitation, safe crib/home risk assessment, infant massage, resource mothers mentoring programs, curriculum for a community parenting program (including grandparent and father specific programs), prevention educational materials for the public, community awareness and training, etc.

Organizations currently receiving funding from CTF may not apply for discretionary grants to cover costs associated with their existing grant program. Discretionary funding will be denied to any organization attempting to circumvent the competitive bid process or if the funding is available for a project through existing resources or budgets.

CTF will accept applications anytime during the year, up until such time as all available funds are obligated. Each application or request for funding should be completed in its entirety and will be reviewed on an individual basis. Applications will be awarded at the discretion of the Children's Trust Fund. Each applicant will receive written notice as to whether the proposal has been accepted or rejected. Once accepted, each applicant will enter into a discretionary contract agreement with CTF corresponding with the state fiscal year.

All discretionary fees are paid on a cost reimbursement basis after the allowable expense is incurred and after the necessary supporting documentation has been submitted and received by the CTF office. Payment will be consistent with the guidelines accepted by the CTF Board of Directors.

Applications should be mailed to: Children's Trust Fund
