Stewards of Children is a child sexual abuse prevention training created by Darkness to Light and is the only nationally available program proven to increase knowledge, improve attitudes and change child protective behaviors. Missouri KidsFirst received an investment from the Missouri Children's Trust Fund to identify and galvanize Missouri's authorized Stewards of Children facilitators into the Missouri's Stewards of Children Facilitators Network. The goal of this network is to increase the quality and quantity of Stewards of Children trainings in Missouri by creating a supportive environment where facilitators can share experiences, skills and passion for protecting children, working towards the vision of creating a state where children are safe from abuse. **This meeting is open to all authorized Stewards of Children facilitators and to individuals who are interested in learning more or becoming a Stewards of Children authorized facilitator.**
