Strong Families, Safe Kids

Never
leave a child alone in a car.

Not even for a minute!

Left alone in a vehicle,
even for a short time,
a child is in danger of
**heat stroke, injury,
abduction or death.**

**Where's Baby?
Look Before You Lock.**

- Check the back seat. Place your purse, briefcase or other personal item in the back with the child to serve as a reminder.
- Use the drive-through convenience provided by banks, dry cleaners, pharmacies, restaurants & other businesses.
- Pay at the pump at gas stations.
- Practice heightened caution especially during changes in your routine.
