STRONG PARENTS, STABLE CHILDREN TRAINING: Building Protective Factors to Strengthen Families

**THURSDAY,
MAY 17, 2018
9 AM–1 PM**

**FamilyForward
Developmental Trauma
Center
1167 Corporate Lake Dr.
St. Louis, MO 63132**

Participants will learn about the Center for the Study of Social Policy's (CSSP) Strengthening Families framework to increase family strengths, enhance child development and reduce child abuse and neglect. An overview of the five Strengthening Families Protective Factors will help to identify and affirm certain family behaviors that promote optimal family functioning, even in the face of adversity. This workshop is applicable for all parents and professional helpers who interact with families. Participants will leave empowered to highlight protective factors, encourage healthy family interaction and authentically affirm and empathize with family members, clients and others.
