STRONG PARENTS, STABLE CHILDREN TRAINING: Building Protective Factors to Strengthen Families

**TUESDAY,
JUNE 12, 2018
9:30 AM-1:30 PM**

Children's Mercy Hospital (host)
Holmes Office Center
(training location)
First Floor Large Classroom
23rd & Holmes
Kansas City, MO 64108
Parking: Don Chisholm Center
610 E 22nd Street

Participants will learn about the Center for the Study of Social Policy's (CSSP) Strengthening Families framework to increase family strengths, enhance child development and reduce child abuse and neglect. An overview of the five Strengthening Families Protective Factors will help to identify and affirm certain family behaviors that promote optimal family functioning, even in the face of adversity. This workshop is geared toward professional helpers who interact with families, but is applicable for parents. Participants will leave empowered to highlight protective factors, encourage healthy family interaction and authentically affirm and empathize with family members, clients and others.
