Learn how to prevent child sexual abuse and create a safer community for children by attending a Stewards of Children workshop. Stewards of Children is a prevention training program that teaches adults how to prevent, recognize and react responsibly to child sexual abuse. The program is designed for organizations that serve youth and for individuals concerned about the safety of children. It is the only nationally distributed, evidence-based program proven to increase knowledge, improve attitudes and change child protective behaviors. Appropriate audience includes youth serving organizations, parents, educators, childcare providers, faith centers, community members, etc.
