Strong Families, Safe Kids

leave a child alone in a car.

Not even for a minute!

Left alone in a vehicle,
even for a short time,
a child is in danger of
**heat stroke, injury,
abduction or death.**

Where's Baby? Look Before You Lock.

- **Check the back seat.** Place your purse, briefcase, laptop or other personal item on the floorboard of the back seat area with the child to serve as a reminder to look.
- **Practice extra caution** especially during changes in your routine.
- **Pay at the pump** at gas stations.
- **Use the drive-through convenience** provided by banks, dry cleaners, pharmacies, restaurants & other businesses.
