

Get Your License to Care

The Children's Trust Fund (CTF) 'prevent child abuse' specialty license plate, featuring the green hand prints, serves as a mini-billboard promoting **Strong Families, Safe Kids** in Missouri.

All revenue from license plate sales support the CTF Safe Sleep Grant Program that promotes best practices statewide to reduce the risks of sleep-related infant death through:

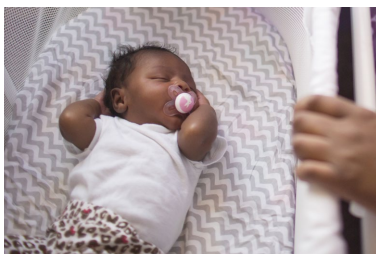

- Safe crib distribution
- Education
- Public awareness
- Community engagement

Nearly 100 babies die each year in Missouri from being in unsafe sleep environments.

– Missouri Department of Social Services, State Technical Assistance Team (STAT) Annual Report

Know the ABCs of Safe Sleep:

Babies sleep safest **A**lone, on their **B**acks, in a **C**rib.

You can help prevent child abuse by proudly displaying the official CTF license plate on your vehicle.

You do this:

Make an annual contribution of \$25 or more to CTF by:

- making a credit card donation online at ctf4kids.org or by calling **888-826-KIDS (5437)**;
- sending a check or money order to **Children's Trust Fund**, P.O. Box 1641, Jefferson City, MO 65102-1641; or
- making your CTF donation and paying all other required fees with one payment at **any** DOR license office.

If you qualify for a two-year license registration, a \$50 minimum donation must be made to CTF. Contact your local DOR license office for more information.

We do this:

Upon receipt of your donation, CTF will send you:

- your *Logo Use Authorization Statement* (donation receipt) and
- an application for personalized license plates (DOR 1716) for any new plate request.

You do this next:

Submit all required paperwork (DOR 1716 application if required, *Logo Use Authorization Statement*, annual DOR \$15 plate fee) to your local DOR license office or mail it to the Motor Vehicle Bureau, PO Box 100, Jefferson City, MO 65105-0100 (573-526-3669).

Finally:

DOR will notify you by mail when your plates are available for pickup at your local license office. All questions about processing your application should be directed to DOR.

Just so you know:

- CTF plates may be ordered any time of year regardless of the license plate expiration date. However, all CTF plates will be assigned a July renewal date, and the Missouri Department of Revenue (DOR) will pro-rate any fees accordingly.
- If you currently have personalized plates, your 'message' can be transferred to the CTF plates.
- To personalize, CTF plates allow 6 characters for regular plates, 5 characters for motorcycle plates and 4 characters for disabled plates.
- DOR will assess an annual \$15 plate fee (\$30 for two-year plates).

Thank you!
