I. INTRODUCTION

The Missouri Children’s Trust Fund (CTF) Board of Directors is pleased to announce the availability of \$19.7 million in funding allocated through the FY 2023 budget approved by the state legislature and signed into law by Governor Mike Parson on June 30, 2022. This one-time funding is designated to support **Facility Improvement and Infrastructure** projects that enhance child abuse and neglect prevention, identification, and treatment efforts in Missouri.

The Missouri Children’s Trust Fund (CTF) is a quasi-governmental agency operating under the regulation of Chapter 210, section 210.170-210.173, MO Revised Statutes (RSMo). Although located within the Office of Administration for the purposes of budgetary, procurement, accounting and other related management needs, CTF holds tax-exempt status (501c3) and is governed by an independent Board of Directors (<https://ctf4kids.org/about-childrens-trust-fun/board-of-directors/>). CTF was created to lead, promote, and support child abuse and neglect prevention efforts throughout Missouri.

MISSION

Strengthening families and preventing child abuse and neglect through grant distribution, education, awareness and partnerships

VISION – STRONG FAMILIES, SAFE KIDS

The Missouri Children’s Trust Fund envisions children and families in a safe, nurturing and healthy environment, free from child abuse and neglect.

Applicants are encouraged to read the application in full, and participate in the **pre-bid seminar scheduled for Monday, August 8, 2022 beginning at 1:00 p.m.** Registration for the pre-bid seminar is required. To register, please go to https://us06web.zoom.us/meeting/register/tzArc-mppzgpHNVuRKsXk5AQq0_Rb8vyeWQt.

II. ELIGIBLE USES OF FUNDING

CTF Facility Improvement and Infrastructure Grant funding is limited to organizations that provide evidence-based child abuse prevention services, use best practices in identification of child abuse and neglect, or provide treatment for child abuse and neglect survivors using evidence-based modalities. Applications from organizations that provide services that are not specifically designed to address child abuse and neglect prevention, identification or treatment will not be considered.

Given the timeline for submitting proposals, CTF understands that budgets may be based on estimates and will work with successful applicants to acquire and approve necessary documentation with as much flexibility as possible. More information on approved cost categories is detailed in Table 1.

Table 1: CTF Facility Improvement and Infrastructure Grant Program - Eligible Uses of Funding

Budget Category	Eligible Expenses	Limitations/Guidance	Project Period	Required Documentation (Pre and Post Award)
Capital Projects	<p>Property Acquisition – Land and/or structures (Cost to be based on recent appraisal)</p> <p>Construction – New construction, expansion, or renovation of a building (costs must be reasonable and comparable to average market values in the project area)</p> <p>Contracts – Paid services necessary for construction, renovation, and grant compliance, including: legal, architectural, engineering, etc.</p> <p>Salary/fringe - specific to capital project oversight</p> <p>Other Costs – appraisals, permits, inspections, etc.</p>	<p>Property acquired, built, renovated, or improved through CTF funding must be used to carry out the activities of the grantee for at least five (5) years after the project facility becomes operational</p> <p>Only salary for time spent overseeing the capital project is eligible</p>	<p>Contract period to begin November 1, 2022</p> <p>Property acquisition, construction and renovation projects must be completed within two (2) years of the date of accepted bid. Strategic Planning	Consultant costs		November 1, 2022 – June 30, 2023	Consulting agreement and proof of payment

III. ELIGIBLE ORGANIZATIONS

To be eligible for funding, agencies must have a primary purpose of preventing, identifying or treating child abuse and neglect. If an agency has a mission larger than preventing, identifying or treating child abuse and neglect, then funding is eligible only for facilities or infrastructure specifically for the agency programs that prevent, identify, or treat child abuse and neglect, and projects must be prorated accordingly.

CTF is authorized to contract with public or private agencies, schools, or qualified individuals to establish community-based educational or service programs; however, for the purposes of this funding only private, nonprofit organizations, schools and other public agencies are eligible to apply.

Nonprofit Organizations must be located and incorporated to do business in Missouri and:

- Be incorporated as a nonprofit corporation pursuant to Chapter 355, RSMo; and
- Hold a 501 (c)(3) IRS tax exempt designation (IRS designation letter must be submitted with application); and
- Is governed by a Board of Directors that is responsible for providing administrative and financial oversight.

Schools must provide specific child abuse and neglect prevention, identification, or treatment services to be eligible, and requested costs must be specific to those programs.

Public Agencies must provide specific child abuse and neglect prevention, identification, or treatment services to be eligible, and requested costs must be specific to those programs.

IV. CTF FACILITY IMPROVEMENT & INFRASTRUCTURE PRIORITIES

CTF's goal is to capitalize on this unprecedented funding opportunity to provide lasting investments with the greatest possible impact. Funding priorities are:

- Alignment of applicant's services and mission with CTF's mission
- Community need or risk as demonstrated by poor or declining child outcomes/statistics, increased demand/waitlists for services, or other supporting data
- Capacity of organization
- Organizations that have not received public funding for capital and/or infrastructure projects in the previous two years (July 1, 2020 – June 30, 2022) **OR** has been allocated/awarded funding in State Fiscal Year 2023 (July 1, 2022 – June 30, 2023).
- Budget and budget justification

V. LOCAL MATCH REQUIREMENTS

Applicants with an annual agency budget of \$1 million or more will be required to provide a local cash match. The tiered local match obligation is designed to reduce the burden on smaller organizations, or organizations in areas with limited fundraising opportunities. Applicants are required to report their total current agency budget on the Application Cover Sheet. Please refer to Table 2 for local match requirement tiers.

Table 2: Local Cash Match Requirements

Agency Budget	Cash Match Requirement
Up to \$1 million	0%
\$1 million – \$2 million	10%
Over \$2 million	20%

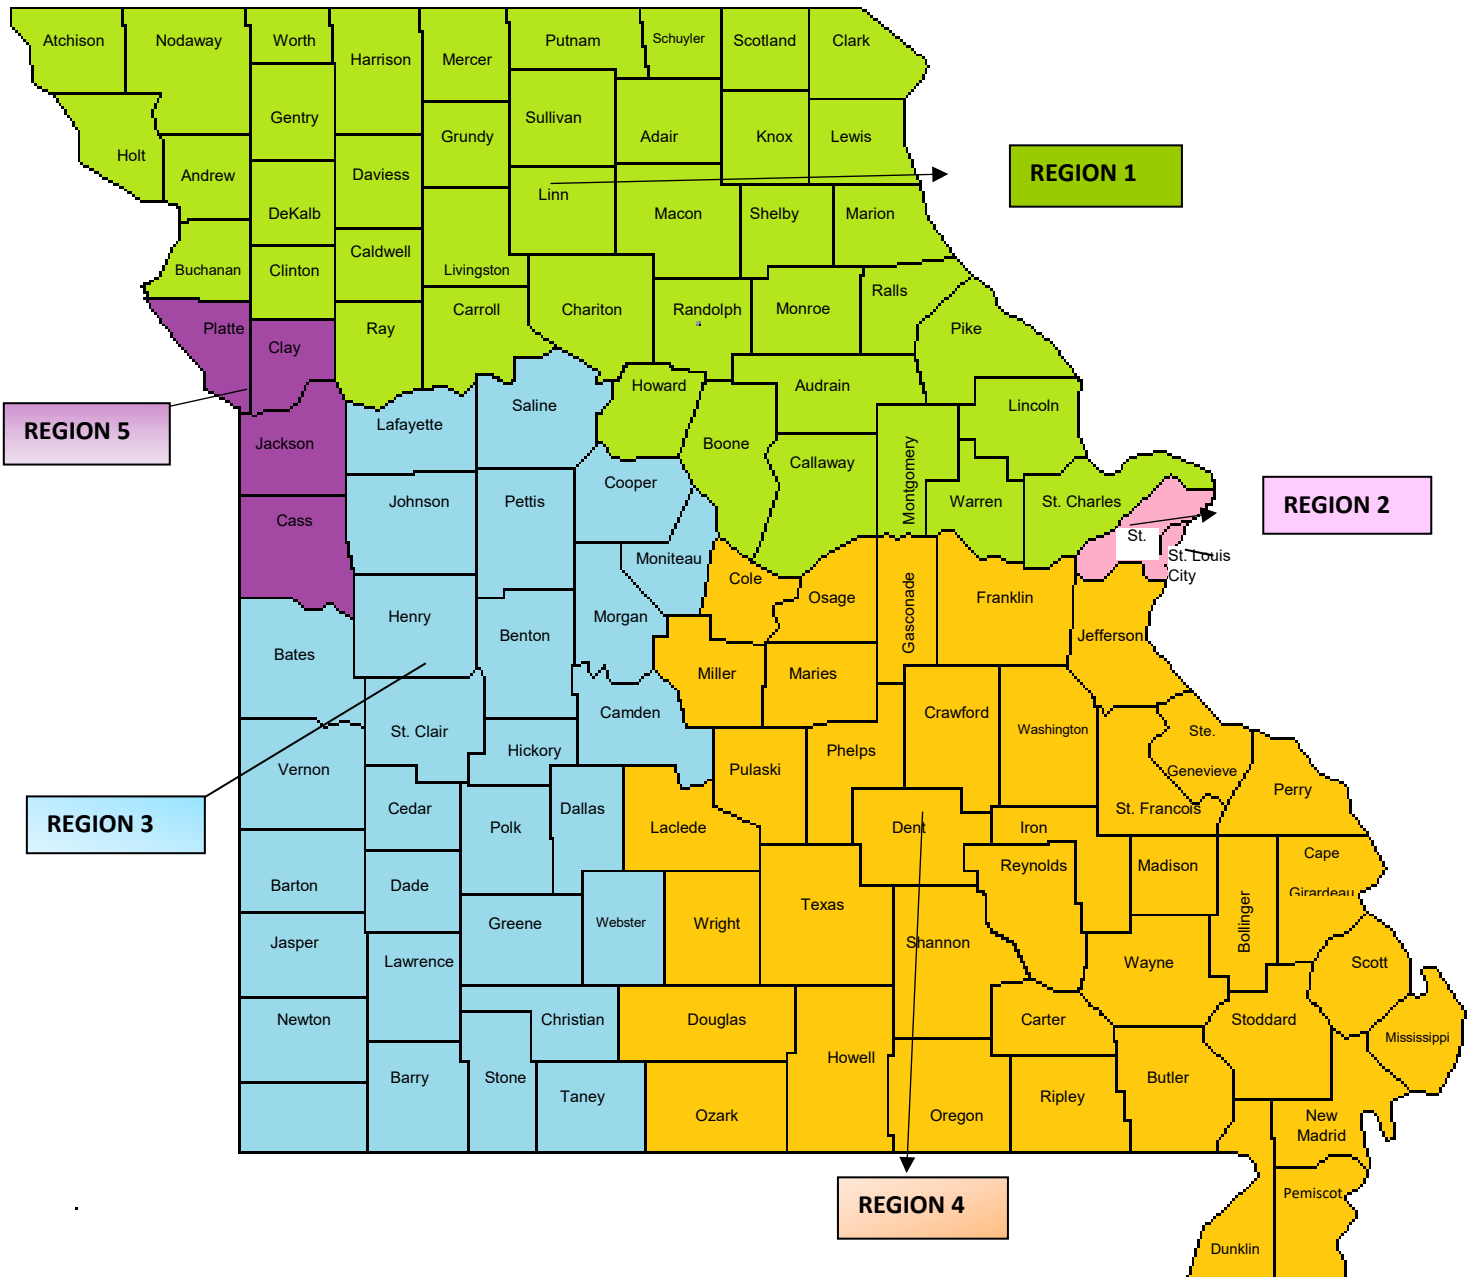

VI. AWARD RANGE

There is no minimum or maximum amount that applicants may request. Applicants are expected to formulate project budgets with prudence but ask for what is needed to be successful in completing the proposed project.

VII. REGIONAL DISTRIBUTION OF FUNDS

Funds will be allocated equally among five (5) regions of the state. Proposals will also be reviewed and scored by region. If designated funds from any one region are not fully allocated, the CTF Board reserves the right to reallocate funds to other regions. Please refer to the following map to determine which region applies to your agency:

Children's Trust Fund Regional Map

VIII. GRANT REQUIREMENTS

For successful applicants, post-award requirements include:

Contracts

The approved application and documents within are considered part of the contractual agreement. Contracts will be emailed with funding notifications, and must be signed and returned to CTF by the date noted in the award notice. A copy of the fully executed contract will be emailed to the project contact.

Background Screenings

CTF grantees must ensure all employees and volunteers having direct contact with children younger than eighteen (18) years of age through the CTF-funded program complete the following requirements:

- Register with the Family Care Safety Registry (FCSR) and provide FCSR screening results to employer prior to working with children. FCSR screenings must be completed annually after initial registration/screening. Fees to meet this requirement may be included in the grantee's project budget. More information about the FCSR program is available at <https://health.mo.gov/safety/fcsr/about.php>.
- Complete a state and national, fingerprint-based criminal background check as part of the hiring process, and every five (5) years thereafter, through the Missouri Volunteer and Employee Criminal History Services (MOVECHS) program accessed at <https://mshp.dps.missouri.gov/MSHPWeb/PatrolDivisions/CRID/MoVECHSProgram.html>. If background screenings were not completed upon hire, they must be initiated within thirty (30) days of receiving a CTF grant award.

Monitoring and Program Reporting

All grantees shall consent to monitoring and reporting requirements as established by CTF. This may include on-site or virtual reviews to ensure financial/programmatic compliance, quarterly progress reporting, and submission of a final report. CTF holds the expectation that all grantees manage grant funds in a responsible and ethical manner with a high standard of programmatic and fiduciary oversight.

Non-compliance issues

If a grantee fails to comply with federal and/or state statutes, regulations, or terms and conditions of this contract, Children's Trust Fund (CTF) may impose special conditions. If it is determined that issues of non-compliance cannot be corrected or otherwise remedied through special conditions, CTF will pursue resolution through one or more of the following:

- Withholding of contract disbursements;
- Disallowance of cost(s);
- Requiring the remittance of grant funding to CTF;
- Suspension or termination of the contract;
- Civil lawsuit; or
- Criminal prosecution.

Payment

For the Facility Improvement and Infrastructure Funding, CTF will use the most appropriate payment structure for the project. The two possible payment structures are:

Funds provided upfront: For renovation and construction projects, CTF may provide upfront funding. Applicants must have the capacity to accurately segregate upfront grant funding either within an established and adequate accounting system or through separate banking. Successful applicants will be required to submit monthly expenditure reports on a form provided by CTF. Documentation verifying all expenditures must accompany monthly expenditure reports. CTF may withhold a final disbursement (a percentage of the award) until evidence of project completion has been provided by the grantee.

Funds provided on a reimbursement basis: Other projects shall invoice for contract-related expenses on an invoice form provided by CTF. Invoices are due by the fifteenth (15th) (or next working day if on a weekend/holiday) of the month following the month in which expenses are incurred. Documentation verifying all expenditures must accompany monthly expenditure reports.

Grantees must maintain appropriate documentation for all expenditures. Documentation must include date of purchases/payment; description or expense; and vendor name, address and contact information.

Grantees must register as vendors in the State of Missouri BUYS procurement system (<https://missouribuys.mo.gov/>), enroll in E-Verify (<https://www.e-verify.gov/>), have no taxes due to the State of Missouri and in good standing with the state and federal government.
